Sir:

In response to the Official Action dated March 6, 2002, please amend the above-identified patent application as follows:

**IN THE SPECIFICATION:**

Kindly replace the paragraph beginning on Page 3, line 18, with the following:

-- An object of the present invention is to solve the above problem. That is, an object of the present invention is to provide a heat-sensitive lithographic printing plate precursor that can be directly mounted on a printer (i.e., a printing press) without development processing and printing can be performed immediately, is excellent in press life and resistance to printing staining.--
